Dear Members of the College Community,

The Technology and Applied Studies / Visual Arts department have been extremely busy to start the year with a variety of HSC Major Works well underway and the wide range of courses offered. The Junior classes of Years 7 & 8 have been looking into graphics, textiles, cooking, projects development and range of artistic works.

Student Year 8 Clocks and Crosses under construction

The Year 9/10 students have been working extremely well creating recipes and cooking plenty of meals in the kitchen with Mrs Senior & Mrs Forsyth (also working in Visual Arts), with the Graphics class learning new programs and development with Mrs Kemp-Jones. The workshop has also been a full house that has seen Mr Brown and Mr Nicoletti teaching joinery of Jewellery Boxes and Table projects that are well on their way.

Our senior classes of Years 11/12 have been studying hard with the current HSC mid course examinations and the year 11 enjoying experiences in Sydney in week 9. With a busy year ahead the stage 6 students are finding their feet within each creative course.

Ms Peard and Special guest Ba having tea ceremony with Year 11 Michael Nicoletti  
 Head of TAS

Tuesday, 25 April 2017 - Closed

**REMINDER: As of week 2 Term 2 all students need to be wearing winter uniform.**

## Important Announcement – Lunch Orders

**As of term 2 lunch order day will change to Friday.**

## Residential Address Collection

The Australian Government Department of Education and Training is currently undertaking the 2017 Student Residential Address Collection. **As a parent/guardian you do not need to provide any information directly to the department.** The only thing you need to do is ensure your address details are up-to-date with our school. If you need to update your child's/children's residential address details, please contact the College Office via telephone or email [admin@stpetersbroulee.nsw.edu.au](mailto:admin@stpetersbroulee.nsw.edu.au)

We will provide the Department with de-identified address information for all of our students' families. This means we will provide addresses but no student names. The **Statement of Addresses** notice which we recently sent to you provides more information.

### Frequently Asked Questions from Parents:

- **Why is the Collection being done?**

The Department is collecting student residential addresses for all non-government schools. This is part of a routine process that occurs approximately every four years, with the last collection undertaken in 2012. The collection is done in line with the

# St Peter's Fortnightly News

Australian Bureau of Statistics Population and Housing Census. With the Census data being released later this year, it is timely for the department to update its data.

•**What do I need to do?**

Nothing! You don't need to provide any information to the department – our school will do this on behalf of all of our students' families. However, please make sure your address details are up-to-date with our school.

•**Is my personal information secure?**

Yes. The school provides the department with de-identified student residential addresses. The department will not see personal information that identifies individual families.

## Wanted Recycled Denim – Year 11 Project

We have a student currently working on a patchwork in textiles, using recycled denim. If you have any old denim jeans that are no longer being worn that you would like to contribute towards the project, could you please drop them off at the front office or to Mr Senior in B block.

## Sports Department

### St Peter's Anglican College Cross Country Carnival:

Our second major sporting event in 2017 will be our Inter-house Cross Carnival to be held at Oaks Ranch on **Friday April 28th, 2017 (Week 1, Term 2)**. Please see the program on Parent Paperwork regarding how the day will operate.

A limited range of food will be available for purchase at the venue on the day which will be provided by the P&F. Junior school will have the opportunity to pre-order food for lunch and this will be completed at school prior to the event. Junior school students will return to school at the duration of the Junior school carnival for lunch. Lunches which have been ordered will be available for students at school upon their return. Senior school students will have the opportunity to purchase food throughout the carnival.

I wish all competitors the best of luck at the carnival. St Peter's will send a contingent of students to represent the school at the SASSA Cross Country Carnival at Tapitallee on Tuesday 23<sup>rd</sup> May, 2017 at the Willandra Cross Country Venue.

Roxburgh dominated both the Junior school and Senior school carnivals in 2016. Which house will be our overall house champions in 2017?

Luke Adams  
Head of Physical Education & Sport

## P & F News

**Cross Country** is on Friday 28th April (first Friday back from school holidays)

**Helpers:** We will be serving food to the JS and SS and really need some helpers!

If you can assist (even if it is just for a short period of time) we would love to hear from you. Please contact Julie Wilks - 0434 531 311 / [julie@bluengrey.com.au](mailto:julie@bluengrey.com.au)

**JS Food orders:** Please send in your order form for morning tea and lunch by Wednesday 26th April.

**SS:** The SS students can buy food on the day - as soon as you arrive! Please see menu.

It has been a big week for the Junior School with our students from K-6 participating in a fantastic range of outdoor activities and camps. On behalf of the P&F we would like to thank our teachers for the wonderful programs and adventures that they created for our children.

It has been really wonderful hearing their stories from the week.

We wish you all a well deserved break and we will see everyone back for Term 2!

**Next P&F meeting:** Wednesday 3rd May, 2017

## Year 6 News

Year Six have had a very busy first term! Looking back we have accomplished so much learning and have filled the term with exciting experiences. Some highlights have been:

- Running assemblies and house challenges
- Our first carnival as Junior School House Captains
- Investigating moulds and yeast in Science
- Role Model presentations
- The Rugby Gala Day
- SASSA Soccer and Netball
- Becoming "taggers" in Visual Art (creating a graffiti wall!)
- Finally having our Year Six shirts arrive!

Year Six are showing all the qualities of great leaders of the Junior School. Below are some of the reflections on initiatives that have been successfully run in Term One. Mr Staker and I are very excited about all the learning to be had in the coming terms and we are very proud of Year Six and their growth in such a short period of time!

Mrs Trina McCallum

Year Six Teacher

### Netball Initiative by Chloe and Josie

This term Josie and I took on a role to teach young kids how to play netball. At first it was hard to teach the little kids how to play but after a few lessons it became easier. As we progressed through the term we ended up playing proper netball games after shooting practice. We are very proud of our accomplishments and the kids as well! We hope to see more kids join the netball initiative next term.

### Basketball Initiative by Imogen

This Term we have been running a basketball initiative on the basketball court on Thursday lunch times. Our aim of running this basketball initiative has been to teach the younger kids how to play and how to shoot. We practice shooting and do drill games then play a game of basketball at the end. We have already seen improvement in a lot of the students participating and hope that everyone will improve.

### SRC by Emily, Tara and Naomi

This year we have been raising money for a child named Cindrella, from Uganda.

She is 7 years old and wants to be a nurse. We have already raised 2 months worth of money out of the 12 months we will be sponsoring her. We would love to help her out with her project of becoming a nurse. At the moment we are sending a box full of clothes, thongs and stationery to her. We been involved with fundraisers such as a Junior School disco and we have sold ice-blocks (Wednesday and Friday lunches. Thank you for everyone's support.

# St Peter's Fortnightly News

## Drama Club by Pat and Marc

Drama club has been a little bit of a challenge but we still have the time of our lives. Thank you to the teachers that have gone out of their way to supervise recently. We have been sorting out music so a big thanks to Miss Davies who lent us some music instruments. We will be doing skits & plays etc and then hopefully do them at assembly there will be a new sign-up sheet next term.

## Soccer by Tara, Finlay and Issak

The soccer initiative turned out well. In the first week we had a great turnout. Everyone did very well improving their soccer skills on the field.

By the end of the term, everyone was at equal soccer skills. We had extra help from our referee Rusty. We would love to train the younger kids. We would like to thank everyone for coming and waiting so long for their promised treats of jelly beans next term. We can't wait until we see everyone next term!

## Music Department News

### ***Introducing the 2017 College Production – 100 Years of Music in 100 Minutes***

We are well underway with rehearsals for our 2017 original concept production '100 Years of Music in 100 Minutes'. This year, we have decided to break the regular mould and attempt an original concept for our school production. This high-tech music extravaganza will be a nostalgic journey of the last 100 years of music, containing professional student narration and an impressive audio visual display. It will feature our school bands and a large number of the musical talent here at the college. There may even be a few surprises - but we are keeping them hush hush for now. This production will hit the stage on the last two school days of term two and will be a great show for all ages. Bring the family along and you can argue all the way home with the kids about who was better; Queen or Katy Perry lol. It's a no brainer isn't it?.....Isn't it??

### ***Pretty People - On the Move***

There is some new talent on the scene and they are seriously 'on the move'. *Pretty People* are local original outfit containing members from both St. Peters and Carroll College music programs. These young musicians have been playing up a storm of late and have already notched up some pretty impressive shows. We are proud to see Olivia Faletese, Grace Faletese and Isobel Smith from the college creating such great new music and keeping the live music scene thriving in the Eurobodalla. *Pretty People* (as they are known) recently shared the stage at Moruya with Caravana Sun and The Spindrift Saga and have two back to back supports coming up with Mild Manic from Melbourne. They burst onto the scene a year ago and have played the NelliJam music festival and a stack of other local shows as well. Well done to these young musicians for their dedication to the arts and their pro-active involvement in the local music scene. There are big things to come for this crew for sure.

*Pretty People* Pictured here supporting Caravana Sun and The Spindrift Saga

### ***HSC Music Excursion – A Great Day of Learning for All***

On Friday 24<sup>th</sup> March, the St. Peter's HSC music class visited Carroll College to be an audience for their Half-Yearly HSC performance examinations. This was a great way for the students involved to receive extra feedback on their performance technique leading up to their externally assessed HSC examinations later in the year. I'd like to thank Mrs. Ros Maher and Mr. Matt King for inviting us over and giving us a great opportunity to broaden our exposure to a wide range of music.

Danny Freeman (HOD Music / Year 12 Pastoral Care Coordinator)

### 2017 Debutante Ball

The Moruya Pyhsie Club are seeking expressions of interest for their upcoming 2017 *Debutante Ball*.

A Debutante ball is a night dedicated to young ladies, turning 16-17 years of age. The Moruya Physie Club will take the girls through basic deportment skills as well as teaching the debutants how to waltz with their partners and a couple of fun dances as part of their presentation.

The rest of the night the young couples will be able to dance the night away with their family and friends to a popular local band.

**Places are limited so we ask if you can register your interest early as to avoid disappointment.**

Please contact Jo: 0418489123  
Hayley : 0404167265

To register your name or if you have any further questions.
