

YEAR 7 ASSESSMENT SUMMARY CALENDAR
SEMESTER 2 - 2017

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10
Term 3			Maths		Science Music		Japanese Geography	French English Music	Maths PDHPE	
Term 4	Science			Music	English Geography	Japanese Maths Science Music	French TAS Visual Arts			

Stage 4 Technology & Applied Studies (TAS)

In each of the TAS courses studied in Stage 4, students complete on-going assessments through practical and theory components. Submission of tasks is dependent on individual student progress, needs and abilities. Adequate class time is allocated for the completion of all tasks.

Stage 4 Visual Arts

Tasks are designed to be completed in class enabling students to work at their own pace. Practical and theory tasks are submitted and marked as they are completed by individual students. The artroom is also available at lunchtime. Students are encouraged to catch up on their work should they fall behind the group.

Stage 4 PDHPE

PDHPE has theory and practical components. Practical skills assessments are conducted within PDHPE classes at various times throughout the semester depending on student preparedness and timetable opportunities. These are additional to the tasks indicated above.
